Dear Parent/Carer

## Re: Change of college PE kit

I am writing to inform you that with effect from September 2016 The Peele Community College will be introducing a new PE kit to reflect the Year Group System that was introduced recently.

As a result our students will look extremely smart during PE lessons and will be in the same "Team Peele" kit when representing the college at sports fixtures; this will help to improve our team ethos and sense of community and also encourage the students to feel part of the college as a whole.

The new kit is extremely smart and if you wish to see a sample there are some located in Reception at the college. When making your order there will be the option to personalise items of the kit if you wish to do so. A price list is attached and orders can be made in the usual way through Rob Horspool at [www.designandembroidery.co.uk](http://www.designandembroidery.co.uk) or by telephoning 01945 871511.

Students will be expected to have the following items of PE kit from September 2016:

### Boys

A Peele Community College: polo shirt  
shorts or tracksuit bottoms  
black football socks

### Girls

A Peele Community College: polo shirt  
shorts / tracksuit bottoms / skirt / sports leggings  
black football socks

### Optional items for boys and girls

A Peele Community College: tracksuit top
