This was coordinated in the UK by the UK Safer Internet Centre, Safer Internet Day took place on Tuesday 7th February 2017 with the theme 'Be the change: Unite for a better internet'.

Are you struggling with

If you would like to learn more about these and other issues and see how we are supporting 'The Safer Internet Campaign' we are inviting you to a presentation on Wednesday 1<sup>st</sup> March at 5pm. The event will be an opportunity to share with you some of the work we have been doing with students, provide you with resources and information and give you opportunity to discuss any concerns you may have as parents or carers.

The internet and social media are changing daily and we hope this event will give you the confidence and knowledge to discuss openly how to use the internet safely and securely with your children.

If you would like to attend please complete the slip below and return to reception.

Yours faithfully
