Headteacher: Miss Elizabeth Smith BA (Hons)

Dear Parent/Carer

Over the course of this year we have been working with our students to increase their awareness of the risks when they are online or using social media.

As part of this we will be showing the students a 5 minute video, developed by Leicestershire Police which highlights the issues that can arise when young people use social media in an unsafe manner. The video focusses on the dangers of grooming of young children through social media and other online platforms.

The video, **Kayleigh's Love Story**, is available on YouTube, <http://www.youtube.com/watch?v=WsbYHI-rZOE>, and we would suggest you take some time to look at the video and discuss the contents with your child.

The video is very powerful and contains some upsetting scenes. The video is rated as a "15" however, we feel that all of our students should see the message it contains. We do understand that some parents may find some scenes unsuitable for their child to view. I am therefore offering the opportunity for you to contact your child's head of year if you would prefer your son/daughter not to see the clip.

If you would like to opt your child out of the video please contact their Head of Year in advance of their regular assembly slot, or place a note in their planner.

If you have any questions about the video or our programme to support your child's safety online please do not hesitate to contact your child's head of year.

Yours faithfully
