Dear Parents/Carers

Re: New College Blazers

As part of our continuing journey to raise standards and aspirations across the college, it gives me great pleasure to announce that, at the start of the summer term, all students will be given a new blazer and college tie. We believe that a smart uniform together with high expectations of student behaviour are fundamental in improving the educational outcomes for all our students. We have been able to achieve this due to the donation of a kind and generous sponsor who fully supports Peele's ambition for high expectations.

The blazers will be black with the Peele crest on the pocket and students will be measured and fitted for these during the week commencing 14th March in order for them to be ready for students after Easter. I would like to confirm that both the blazer and the new college tie will, in the first instance, be issued completely free of charge for all students in Years 7 to 10. Any subsequent purchases will need to be ordered and purchased in the usual way through the college website.

I would like to thank you for your support and I look forward to seeing the students wearing their new school uniform with pride.

Yours faithfully

Miss E Smith
