Post 16

We are required by Section 72 of the Education and Skills Act 2008 to pass on certain information to the provider of youth support services in your area. In Lincolnshire these services are organised by Lincolnshire County Council. This data is used by Lincolnshire County Council to maintain a database of all young people in Lincolnshire. This is used to keep track of young people to ensure they are offered appropriate support to remain in education, employment or training once they have left statutory education. Lincolnshire County Council also has a statutory duty to routinely report this data to the Department for Education.

The LA and school will then share your situation on leaving Statutory Education – This will be either in Education Employment or Training (EET) – by type, Not in Education Employment or Training (NEET) – by type or Unknown – the school may then share data back with the LA to confirm situations. This data will be shared to ensure that the school fulfil their responsibility to know the Destinations of all the young people who leave their education Post 16 and allow the Local Authority to fulfil their statutory duty to reduce the number of unknowns.

You can find out more information and advice for young people in Lincolnshire at <https://www.facebook.com/teeninfoincs> or <http://www.lincolnshire.gov.uk/teeninfoincs/>

The information we must pass on about you is your name, address and date of birth. We may also be asked to pass on additional information about you – for example, your ethnicity - however you (if you are aged 16 or over) or your parents (if you are aged under 16) can refuse for this additional data to be passed on. Please inform Miss E Smith, Headteacher, if this is what you or your parents wish.

You can find out more about how Lincolnshire County Council use your data at <http://www.lincolnshire.gov.uk/local-democracy/information-governance/data-protection?tab=downloads>
